

1. Home Page

This is the homepage of the Tea Shop web app. It provides a welcoming interface where users can explore our offerings.

The screenshot shows the homepage of "The Tea Shop". At the top right are "Cart" and "Login" links. The main title "The Tea Shop" is centered above a navigation bar with "Home", "Teas", "Contact Us", and "Our Story" links. Below the navigation is a large image of dried tea leaves and a cup of tea. The bottom section has three large icons: a location pin labeled "FIND US", a teacup labeled "TEAS", and a person icon labeled "CONTACT". A small URL "https://webdevteam.pythonanywhere.com/contact-us" is visible at the bottom left.

2. Items List Page

This page displays all available tea items, fetched from the backend database. Users can browse products with their name, price, and size (oz).

The screenshot shows a web page titled "The Tea Shop" with a dark header bar. In the top right corner, there are "Cart" and "Login" links. Below the header, a navigation bar includes "Home", "Teas", "Contact Us", and "Our Story". The main content area is titled "Teas" and features four product cards arranged in a row. Each card contains an image of the tea, the product name, price, and a truncated description.

| Image | Name | Price | Description |
|-------|------------|--------|---------------------------|
| | Black Tea | \$3.99 | Pron sed justo non leo... |
| | Black Tea | \$5.99 | Pron sed justo non leo... |
| | Matcha Tea | \$2.55 | Pron sed justo non leo... |
| | Matcha Tea | \$3.99 | Pron sed justo non leo... |

3. Single Item Detail Page

This is the product detail page. When a user clicks on a tea item, they are directed here to view more information and add the product to their cart.

The screenshot shows a web page titled "The Tea Shop" with a dark header bar. In the top right corner, there are "Cart" and "Login" links. Below the header, a navigation bar includes "Home", "Teas", "Contact Us", and "Our Story". The main content area features a large image of a cup of black tea with mint leaves. To the right of the image, product details are displayed, including the name, description, price, size, and a button to add the item to the cart.

6. Order Confirmation Page

This is the confirmation page shown after a successful order. It confirms that the order was placed and email notification was sent.

7. About Us Page

This static page gives users background information about the Tea Shop, its mission, and its team.

The screenshot shows a website layout for 'The Tea Shop'. At the top, there's a dark blue header bar with 'Cart' and 'Login' links. Below the header, the main title 'The Tea Shop' is centered in a large white font. Underneath the title, a navigation menu includes 'Home', 'Teas', 'Contact Us', and 'Our Story'. The main content area has a light orange background. The section title 'Our Story' is centered in a large white font. Below it, a short paragraph reads: 'Welcome to The Tea Shop – where tradition meets taste.' Another paragraph follows: 'Our journey began with a simple mission: to bring ethically-sourced, small-batch teas to your cup. Each blend we offer is handpicked for quality and freshness, inspired by centuries of tea culture and driven by a passion for excellence.' At the bottom of the content area, another paragraph states: 'Whether you're steeped in tradition or exploring new flavors, we're here to elevate your tea experience with warmth, comfort, and quality in every sip.'

8. Contact Us Page

This page provides a contact form or details for users to reach out to the Tea Shop for support or inquiries.

The screenshot shows a website layout for 'The Tea Shop'. The top features a dark blue header bar with 'Cart' and 'Login' links. The main title 'The Tea Shop' is centered in a large white font. Below the title, the navigation menu includes 'Home', 'Teas', 'Contact Us', and 'Our Story'. The main content area has a light orange background. The section title 'Contact Us' is centered in a large white font. Below it, there are two input fields: one for 'Enter Email' and another for 'Enter Message'. A blue 'Submit' button is positioned at the bottom of the form area.

9. Admin Login Page

This is the admin login page. Only admins with correct credentials can log in and access the management system.
